

Budapest University of Technology and Economics

Budapest, 1111, Műegyetem rkp. 7.-9. 23rd November, 2010

**Central meeting point of the ParisTech Delegation:
23rd November, 13h45. R. Building 1st Floor, 106.**

Name	Position	Institution	Receiving partner	Date/Time/Venue
Alan SWAN	Director of International Relations	IOGS	Péter MOSON – Vice-Rector for International Relations Bálint KISS – Resp. of the French Filière László DVORSZKI – Director of International Relations	23./13h45/ R. Building, 1 st Floor, 106.
			OPTICS György ÁBRAHÁM – Head of Department, Department of Mechatronics, Optics and Information Engineering, Faculty of Mechanical Engineering	23. /13h50 – 14h25/ Department of Mechatronics, Optics and Information Engineering/ D. Building, 4 th Floor, 406. Meeting Point: R. Building, 1 st Floor, 106.
Jean Philippe COSTES	Teacher-Researcher on high speed machining	Arts & Métiers ParisTech, CER Cluny	MECHANICS Tamás INSPERGER – Junior Research Fellow Department of Applied Mechanics, Faculty of Mechanical Engineering Margit BENDE-KOVÁCS – Assistant Professor, Department of Applied Mechanics, Faculty of Mechanical Engineering	23. /Time later by dept./ Departmental Meeting: Department of Applied Mechanics, MM Building, Ground Floor, Roon No. 7.
Amanda BARBEDETTE-GREEN	Director of International Relations	Arts & Métiers ParisTech, CER Cluny	<i>Option I. OR Option II.</i> Option I. : Péter MOSON – Vice-Rector for International Relations Bálint KISS – Resp. of the French Filière László DVORSZKI – Director of International Tamás	23./13h45/ R. Building, 1 st Floor, 106.
			Option II: INSPERGER – Junior Research Fellow Department of Applied Mechanics, Faculty of Mechanical Engineering Margit BENDE-KOVÁCS – Assistant Professor, Department of Applied Mechanics, Faculty of Mechanical Engineering Relations	23. /Time later by dept./ Departmental Meeting: Department of Applied Mechanics, MM Building, Ground Floor, Roon No. 7.
Gilles PAULIAT	Director of Research in CNRS, Animator of research group, Nonlinear Optical Materials and Applications	IOGS Laboratory Charles Fabry	Péter MOSON – Vice-Rector for International Relations Bálint KISS – Resp. of the French Filière László DVORSZKI – Director of International Relations	23./13h45/ R. Building, 1 st Floor, 106.
			OPTICS Pál KOPPA – Senior Fellow, Department of Atomic Physics, Institute of Physics, Faculty of Natural Sciences	23./14h30/ Departmental Seminar: Department of Atomic Physics, FA Ground Floor Meeting Point: FA Building, Ground Floor
Victor GOMEZ-FRIAS	Deputy Director of Education	Ecole des Ponts ParisTech	György FARKAS – Professor, Department of Structural Engineering, Faculty of Civil Engineering	22./9h30/ Seminar/French Institute

Patrick ACHARD	Director of Research	Center for Energy and Processes, Mines ParisTech	Péter MOSON – Vice-Rector for International Relations Bálint KISS – Resp. of the French Filière László DVORSZKI – Director of International Relations	23./13h45/ R. Building, 1 st Floor, 106.
			NANOSCIENCES, NANOPARTICULES, NANOTECHNOLOGIES Ferenc SIMON – Associate Professor, Department of Physics, Institute of Physics, Faculty of Natural Sciences	23. /14h00 – 15h00/ Department of Physics/ F. Building, 1 st Staircase, 1 st Floor, 10/8. Meeting Point: R. Building, 1 st Floor, 106.
			ENERGETICS Gyula GRÓF – Head of Department, Department of Energy Engineering, Faculty of Mechanical Engineering	23. /15h10 – 16h30/ Department of Energy Engineering/ D. Building, 2 nd Floor, 208/1. Meeting Point: D. Building, AULA

Jean-François NAVINER	Teacher-Researcher, in charge of international strategy	Télécom ParisTech	INFORMATICS Fülöp AUGUSZTINOVICZ – Associate Professor, Head of the Laboratory of Acoustics, Department of Telecommunications, Faculty of Electrical Engineering and Informatic Contact: Phone: (+36- 1) 463-3246 or GSM: +36 30 4737 816, Fax: (+36- 1) 463-3266, e-mail: fulop@hit.bme.hu URL: http://acoustics.hit.bme.hu	23./10h00 – 12h30/ I. Building, E Wing, 4 th Floor, 456. Meeting Point: I Building Main Entrance
			Under organisation: INFORMATICS: Roland VIDA – Associate Professor, Department of Telecommunications and Media Informatics, Faculty of Electrical Engineering and Informatics, BME	23./13h45 – 15h00/ Meeting Point: R. Building, 1 st Floor, 106.
Irina VASSILEVA	Responsible of the European zone programs	PRES ParisTech	Péter MOSON – Vice-Rector for International Relations Bálint KISS – Resp. of the French Filière László DVORSZKI – Director of International Relations	23./13h45/ R. Building, 1 st Floor, 106.
			Under organisation: INFORMATICS: Roland VIDA – Associate Professor, Department of Telecommunications and Media Informatics, Faculty of Electrical Engineering and Informatics, BME	23./13h45 – 15h00/ Meeting Point: R. Building, 1 st Floor, 106.

Contacts for the central meeting on 23rd November
